OUR COMMITMENT TO YOU + YOUR COMMITMENT TO YOUR CHILD

Welcome to the Children's Outpatient Program...we are very glad you're here and look forward to working with you and your child!

- We have found that in order to have the best results in therapy, it is important to have consistent counseling appointments.
- We understand that sometimes things happen that make it hard to come for appointments.
- We have a high demand for our services and appointment times.
- We ask that you please call us to cancel if you can't keep your appointment. It is our policy that if you repeatedly cancel your child's appointments, his or her chart may be closed.
- An appointment that is not cancelled within 24 hours will be considered a "no show."
- Two consecutive "no shows" or three total "no shows" may result in your child's case being closed.
- Once closed, in order to start services again, you would need to reapply for services and there is no guarantee the same therapist would be available to work with your child.

Keep the following tips in mind when scheduling appointments:

- Consider scheduling therapy and medical appointments on the same day if possible to minimize time missed from school
- Keep in mind, the later in the day you want appointments, the less frequently your child may be able to be seen
- Be aware of your child's school calendar and other important dates that might conflict with therapy or medical appointments, such as exams, field trips, FCATS and doctor's appointments.
- Communicate with your child's teacher if your child will need to miss some school regularly to come to therapy for a while. Most teachers want to be helpful and supportive of this process but need to know how they can do so. Don't forget to ask for an excuse note at the front desk if you need one.

This means that by law, JWB cannot release individually identifiable information about me or the services I receive (Fla. Stat. §119.071). I acknowledge that JWB may review all information about me as it specifically relates to any program or service it pays for. I also acknowledge that because JWB provides funds for the program or service in which I am participating, it may review my participant file and all other information pertaining to me held by the agency providing the program or service, regardless of whether that information is entered into a JWB data collection system. Written Statement of Purpose(s) for Collection of Social Security Number for Recipients of JWB-funded Programs and Services

The Juvenile Welfare Board (JWB) invests in partnerships, innovation and advocacy to strengthen Pinellas County children and families. The vision of the Juvenile Welfare Board is that children in Pinellas County will have a future of more successful and satisfying lives because of the efforts of JWB and its partners. JWB was established by Florida statute in 1945 (Special Act 2003-320: F.S. §189.429) and approved overwhelmingly by voters in a referendum in 1946. JWB was created with a mission to provide needed services to children throughout Pinellas County. JWB provides funds to agencies that provide services to children and families in Pinellas County.

The purpose of this document is to provide individuals with written information about how JWB uses the Social Security numbers it collects. JWB is required by Florida’s Public Records law [Fla. Stat. §119.071(5)] to provide this information to you.

Florida law allows JWB to collect Social Security numbers in order to carry out its duties and responsibilities (Fla. Stat. §119.071(5) (a) 2a. (II); Special Act 2003-320: F.S. §189.429). Specifically, it is necessary for JWB to collect Social Security numbers to conduct research, fund services, and to ensure that all services delivered to participants are of the highest possible quality.

In addition, collecting Social Security information is necessary to:

- Identify and match individuals and data to research and improve how services are provided to children and families; and
- Receive reimbursement from Medicaid, if applicable, for providing services.

By law, JWB cannot release Social Security numbers (Fla. Stat. §119.071). JWB follows the highest security standards. All reports produced by JWB provide information about services in general. No individual person is ever identified in any way in any report.
